PIPES & HOSES

Designed for durability and efficiency, our range of pipes, hoses, and accessories ensures seamless water flow and reliable liquid handling for various applications. Whether for industrial cleaning, gardening, or general maintenance, our high-quality products offer flexibility, strength, and ease of use. From sturdy pails to heavy-duty hoses and fittings, find the right solution to keep your operations running smoothly.

AS-014/015

WATER HOSE (50M) [THIN/THICK]

Thin hose is ideal for floor washing, while the thick version is designed for high-jet machines.

AS-043

SPRAY NOZZLE

Adjustable nozzle for precise water flow control.

AS-046

WATER TAP KEY

Universal tap key for easy operation of water supply points.

AS-021

HOSE CLIP

Securely fastens hoses to prevent leaks and disconnections.

AS-034

HOSE ADAPTER

Converts hose sizes or connections for compatibility.

AS-035

HOSE CONNECTOR

Durable connector for leak-proof hose joining.

AS-032

SYPHON PUMP DP-14 [SMALL]

Compact hand-operated pump for small-scale liquid transfers.

AS-032-B

SYPHON PUMP DP-15 [BIG]

Large-capacity syphon pump for faster liquid transfers.

AK-075

1/2" X 3/8" NIPPLE

A durable fitting for connecting pipes or hoses of different diameters.

SHS-PS

8L PRESSURE SPRAYER

High-capacity sprayer for even distribution of liquids.

AS-064

DRAIN DECLOGGING ROD

Flexible rod designed to remove clogs and debris from drains.

AS-052R/B
**4 U.S. GALLON
PLASTIC PAIL**

Heavy-duty plastic pail for carrying and storing liquids.

AS-054R/B
**2 U.S. GALLON
PLASTIC PAIL**

Smaller plastic pail for light-duty cleaning tasks.

AS-053
**4 U.S. GALLON
PLASTIC WRINGER**

Sturdy wringer for efficient water extraction from mop heads.

AS-068

5L DOWN-PRESS PUMP

Robust pump mechanism for high-efficiency liquid dispensing.

JT-080

500ML PUMP HEAD W/O BOTTLE

Versatile pump head compatible with 500ml bottles.

JT-079

500ML TRIGGER SPRAY W/O BOTTLE

Reliable trigger spray head for easy liquid application.

JT-078

500ML BOTTLE

Durable plastic bottle for storing and dispensing liquids.

AK-057-[SIZE]

PP PLASTIC MEASURING CUP

Precision measuring cup for accurate liquid measurement.

AS-058-S/L

PLASTIC FUNNEL [SMALL / LARGE]

Spill-free liquid transfer funnel, available in different sizes.

WEARABLES

Designed for protection, comfort, and durability, our range of wearables ensures safety and hygiene in various work environments. From gloves that provide a secure grip to aprons and protective gear that shield against spills and hazards, each item is crafted to meet professional standards. Whether for industrial, commercial, or general use, our wearables offer reliable defense while maintaining flexibility and ease of movement.

Includes Chin Strap*

AS-063-Y/W
SAFETY HELMET

A compact and lightweight ladder designed for quick and easy access to low-height tasks. Ideal for home, office, and light maintenance work.

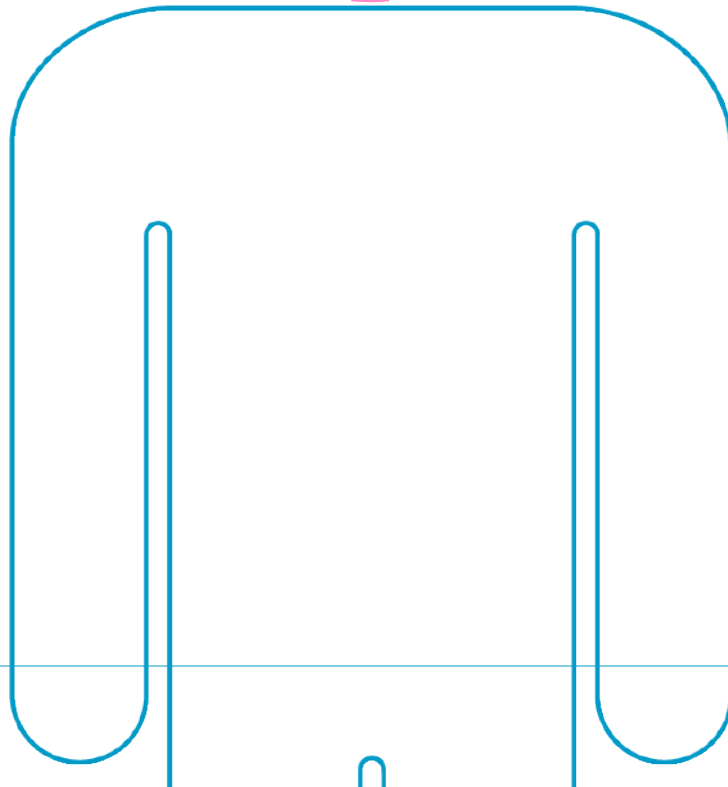

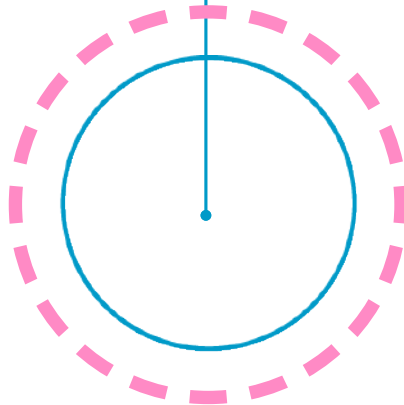

HEADWEAR

eyewear

NY-02
SAFETY GOGGLES

A sturdy and stable ladder that provides additional height while maintaining portability. Perfect for reaching shelves, windows, and light fixtures safely.

DISPOSALS & TROLLEYS

Keep your space clean and organized with our range of waste disposal solutions and transport trolleys. Designed for efficiency and durability, our bins ensure proper waste management, while our trolleys provide seamless mobility for cleaning supplies and heavy loads. Whether for commercial or everyday use, these essentials help maintain a clutter-free and hygienic environment.

AS-039.....
TROLLEY CAGE +

2 Compound Bin
A mobile waste disposal system featuring a sturdy trolley cage and two compound bins for efficient sorting.

AS-033.....
95 LITRES

Compound Bin
A high-capacity waste bin designed for commercial and industrial use.

AS-038.....
CAGE TROLLEY JASMINE

A robust and spacious trolley with a secure cage design for transporting multiple items safely.

AS-036/037

L-TROLLEY JASMINE (150KG/300KG)

A heavy-duty L-shaped trolley designed for transporting bulky and heavy loads with ease.

AS-049

L-PICKER

A lightweight and efficient tool for picking up litter without bending over.

AS-076

12 GALLON PAIL WITH COVER

A durable pail with a secure lid, ideal for waste collection and storage.

CS00020

RUBBER COATED TONG 16-INCH

A sturdy tong with a rubber-coated grip for enhanced control and precision.

AS-055

PLASTIC TONGS

12-inch
A versatile tong designed for handling waste and debris with ease.

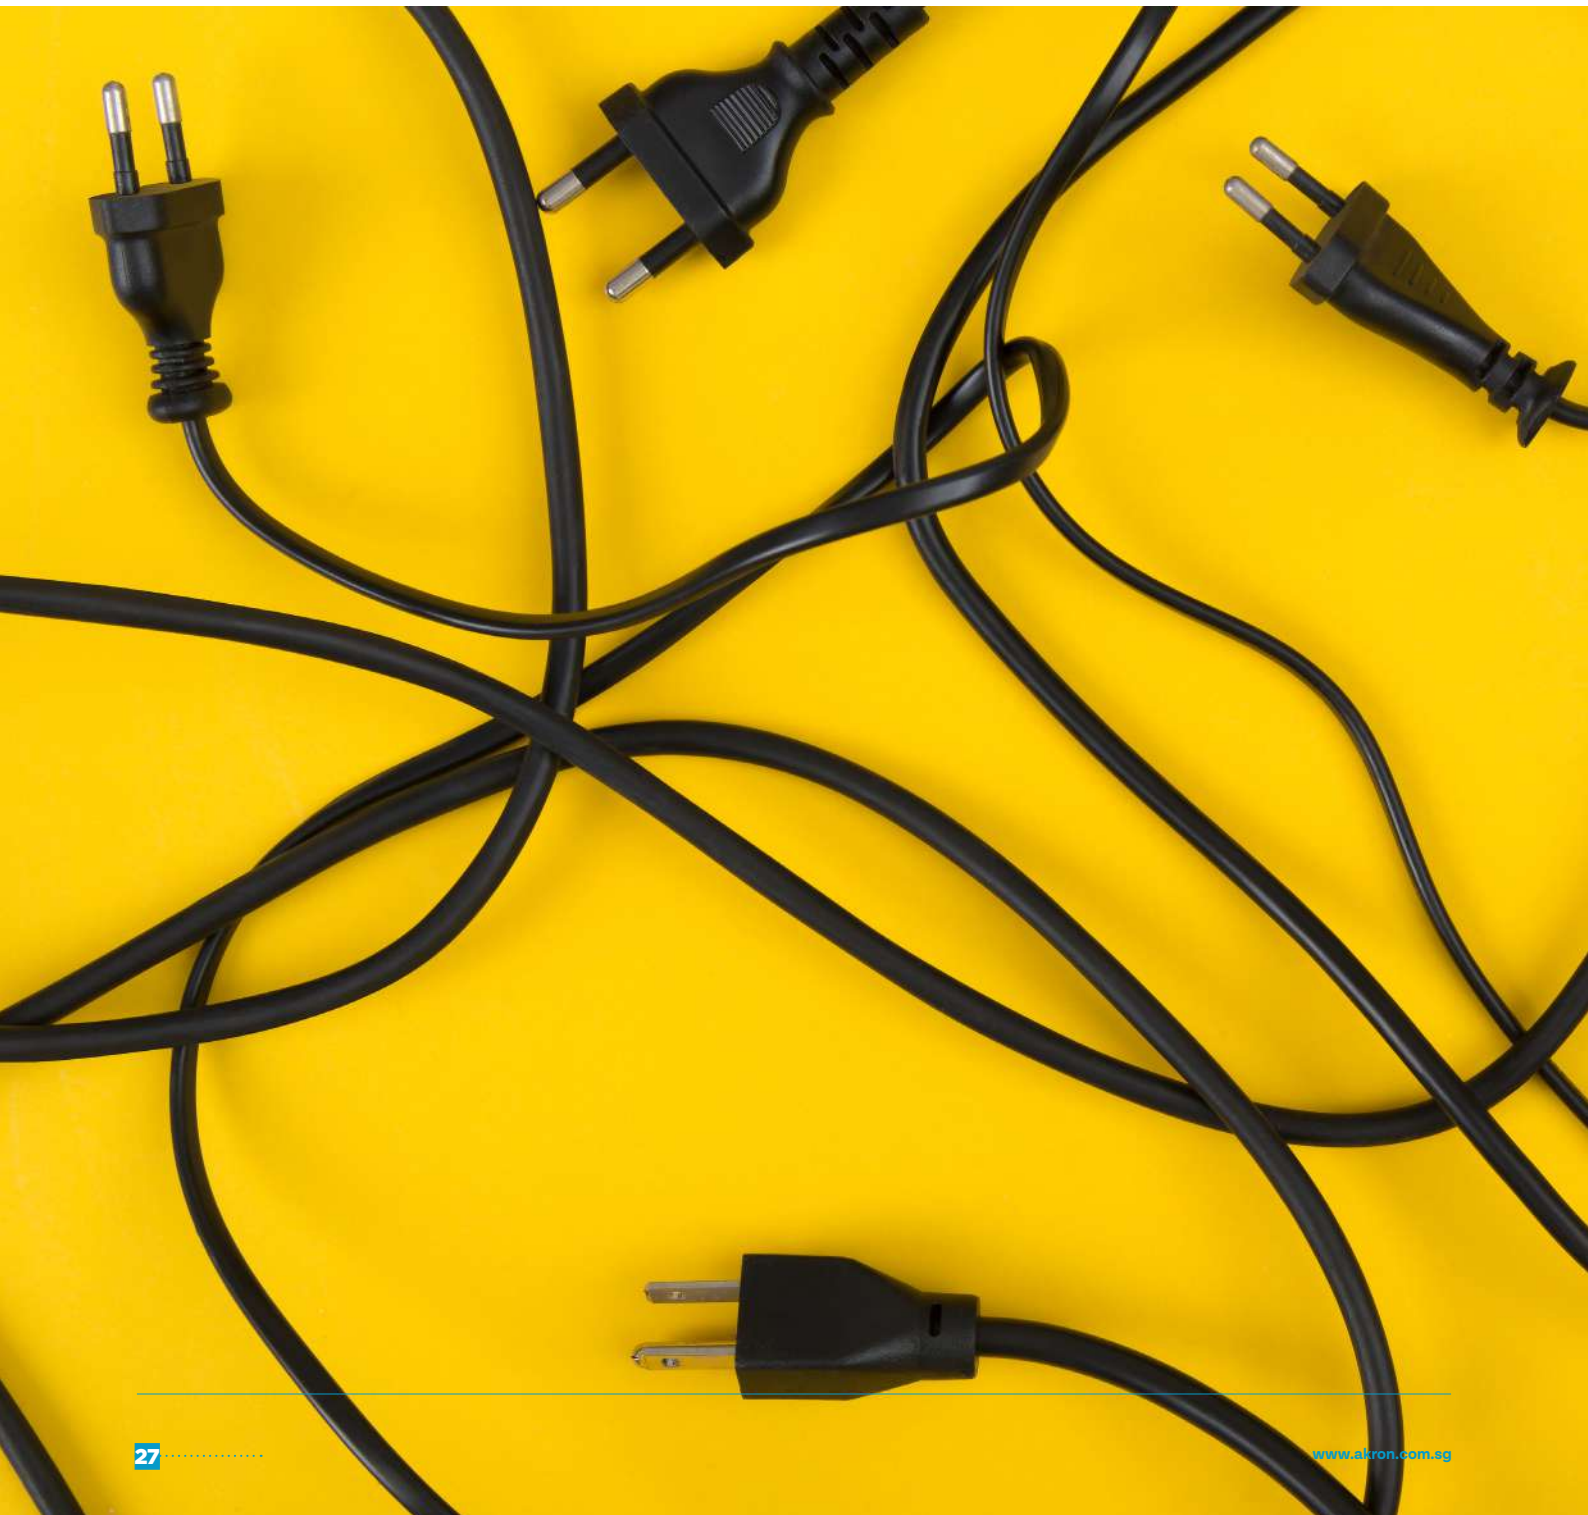

AS-028

TONGS 16-INCH

A lightweight yet durable tong for hygienic waste collection.

ELECTRONICS

Power up your workspace with our range of reliable extension wires and plugs. Designed for safety and efficiency, our products ensure seamless connectivity for your electrical needs, whether at home, in the office, or industrial settings. Built with high-quality materials, our extension wires provide durable and long-lasting performance, reducing the risk of overheating and electrical hazards. Our plugs are engineered for secure connections, preventing power interruptions and ensuring stable energy distribution. Stay powered and connected with our trusted electronic accessories.

AS-027
ELCB (3-WAY)
220V 16A

A 3-way Earth Leakage Circuit Breaker (ELCB) designed for 220V systems, providing 16A protection against electrical faults and leaks.

AS-093
ELCB (3-WAY)

3 x 13 Amp
A high-capacity 3-way ELCB with three 13A sockets, ensuring safe and reliable power distribution while preventing electrical hazards.

AS-094
13AMP - 15AMP
CONNECTOR

A secure and sturdy adapter for connecting 13A and 15A plugs, ensuring compatibility across different power requirements..

AK-073
**(T&J BRAND)
 2G 13A SWITCH
 SCULPT + 2G
 WEATHERPROOF
 ENCLOSURE IP6**

A durable 2-gang 13A switch with a weatherproof IP6-rated enclosure, perfect for outdoor or wet environments.

AS-040
**EXTENSION CABLE
 (40M)**

A heavy-duty 40-meter extension cable, ideal for long-distance power supply in industrial, office, or outdoor settings.

AS-065
**RCB3 PIN ELCB
 (T&J BRAND)**

A compact residual current breaker (RCB) with a 3-pin design, offering enhanced safety by detecting and cutting off leakage currents.

AS-076-15AMP
**15AMP ELECTRICAL
 PLUG**

A robust 15A plug designed for high-power appliances, ensuring stable and safe electrical connections.

AS-076
**13AMP ELECTRICAL
 PLUG**

A standard 13A plug suitable for most household and office appliances, built for secure and reliable power delivery.

DETERGENTS

Keep your spaces spotless with our range of high-quality detergents. Designed for powerful cleaning, our products effectively remove dirt, grease, and stains from various surfaces. Whether for household, commercial, or industrial use, our detergents provide deep cleaning while being safe and easy to use. From multi-purpose cleaners to specialized formulas, we offer solutions that deliver superior hygiene and freshness. Tackle every mess with confidence using our trusted cleaning detergents.

AS-084
