

The background of the cover features a soft-focus image of laboratory equipment. On the left, two glass test tubes are visible; the one in the foreground contains a bright green liquid. To the right, several white, circular petri dishes are arranged, some containing a light-colored, granular substance. The overall color palette is light and clinical, with white, light blue, and the vibrant green of the liquid in the test tube.

AKRON

PRODUCT CATALOG

IT SIMPLY WORKS BETTER!

WE PROVIDE PRODUCTS THAT WORKS BETTER FOR YOUR BUSINESS.

For more than four decades, Akron Chemical has specialized in manufacturing and marketing cleaning chemicals and systems.

ABOUT US

Starting from the birth of the company in 1976, Akron Chemical successfully led this particular field. The secret of two very enterprising men behind this whole operation lies in their business philosophy.

Respect.

Akron believes firmly that customers must be treated the way the company expects to be treated.

Research.

Akron works at being the best in the field with continuous research and formulation of new products and systems through tests based on the ever progressing market.

Reassurance.

Akron provides customers with the confidence in their product with their slogan:

BODY FRESH

Savour the relaxing reverie of luxury body wash, Body Fresh is gentle on skin and rich in foam. Immerse yourself in the pleasing fragrance of delicate floral extracts for a relaxing bathing experience.

HERBAL BODY

A refreshing body wash with herbal bamboo wash fragrance. Effectively replenishes moisture for fresh and hydrated skin. A refreshingly light sensation that is an uplifting moment for the skin.

WILD LAVENDER BODY SHAMPOO

A relaxing body wash with wild style of lavender, effectively replenishes skin's moisture, leaving it subtly scented. Offering a moment of relaxation before a restful night of slumber.

WILD LAVENDER HAIR SHAMPOO

A hair shampoo suitable for many types of hair. Smooth & Silky Clarifying Shampoo has the vibrant scent of Wild Lavender. Nourish your scalp three surface layers deep for more clarifying hair.

LUXER

Convenient 2-in-1 Hair & Body Wash has a high-lather and fast-rinsing formula to give you a deep, all-over clean, enhanced fragrance and rich wash to provide a fresh start.

AKRON BODY SHAMPOO is made of all-natural ingredients and is non-irritant, non-hazardous. Suitable for all ages and skin types.

SANITIZER

- 💧 Kills more than 99.9% of germs in seconds.
- 💧 Fast, convenient, safe & effective.
- 💧 Tested by third-party labs.
- 💧 Easy to use with no water, soap, or towel needed.
- 💧 No oily or sticky residue.
- 💧 Suitable for all ages.

ALCOHOL HAND RUB

An odorless fast drying hand sanitizer with 70% Ethanol compound. Providing sure and safe hands for all ages, including children. Fast-drying and effective against many types of germs.

ALCOHOL GEL RUB

The one-step waterless procedure requires no rinsing, saving time, and fast-drying effect. The moisturizing enhanced clear gel contains conditioners that help prevent irritation. 70% Ethyl Alcohol provides proven infection prevention against a wide range of microorganisms.

IPA 70

An odorless fast-drying sanitizer with 70% Isopropyl Alcohol compound. Providing sure and safe hands for all ages, including children. Fast-drying and effective against many types of germs.

SHIELD COVER

A non-irritant, non-flammable, non-alcohol based hand sanitizer, combined with 1% Q.A.C (Quaternary Ammonium Compound) for effective hand sanitation for all ages, including children.

PRO FOAM

A non-irritant, non-flammable, non-alcohol based foaming hand sanitizer, combined with 1% Q.A.C (Quaternary Ammonium Compound) for effective hand sanitation for all ages, including children.

MULTI PURPOSE CLEANER

ALKALINE MULTI PURPOSE CLEANER

FORMULA 122

5 Litres / 25 Litres

A combination of alkaline builders, solvents, surfactants, penetrating agents, foam enhancer, oil disperser. A terrific cleaner for many different types of surfaces, the powerful cleaners act wells on oil, fats, dirt, grease and many other type of difficult situation.

NUCLEAN

5 Litres / 25 Litres

A combination of surfactants, solvent, dirt buster, penetrating agents, foam stabilizer, alkaline builders. Enhanced with easy rising technology. Perfect cleaner for outdoor tiles, glass, weather conditions, and many other situations.

FORMULA 250

5 Litres / 25 Litres

A combination of alkaline builders, flow aid, grease buster, surfactants, esters, combination agent and dye for easy grease busting or heavy-duty jobs of oily floors, exhaust systems, kitchen hoods and many more.

FORMULA 22A

5 Litres / 25 Litres

A strong formulation of natural derived surfactants, glycol, water softener and foam cutter. Lower build up on foaming properties without comprising on effectiveness. Suitable for use with many different type of machinery including floor scrubbers, auto scrubbers, and ride on scrubbers.

FORMULA 222

5 Litres / 25 Litres

A strong combination of various types of surfactants, solvent cleaners, esters, dirt cutter, weather remover and others. Enhanced with easy rinsing technology for minimizing wastage of water.

NW-100

5 Litres / 25 Litres

An alkaline build up detergent for many applications that requires removing of oil stains and grease, high foaming properties makes it easy to apply with foaming equipment or manual cleaning. Return floors and surface to its oil free conditions.

G PLUS

5 Litres / 25 Litres

A blend of surfactant, alkaline builders, water softener and foam stabilizer. Its high alkaline point enables it to cut oil and fats like a breeze.

GREEN LABEL CERTIFIED MULTI PURPOSE CLEANER

A combination of alkaline builders, solvents, surfactants, penetrating agents, foam enhancer, oil disperser. A terrific cleaner for many different types of surfaces, the powerful cleaners act wells on oil, fats, dirt, grease and many other type of difficult situation.

NEUTRAL MULTI PURPOSE CLEANER

A combination of surfactants, sodium, builders, foam stabilizers and lemon oil. Natural derived detergent enable user safe from harsh chemical compounds. Thick viscosity makes it able to cling onto vertical surface and enable more contact time.

A fantastic blend of anionic surfactants, sodium, penetrating agents, builders, neutralizer and preservative. Enhanced with easy rinsing technology, which requires 30% lesser of water for rinsing.

A unique formulation of surfactants combination, sodium, builders, foam builders, foam stabilizers, glassware brightener and preservative.

Concentrated high foaming detergent combined with easy rinsing technology. Strong and neutral p.h balanced.

GERMICIDAL MULTI PURPOSE CLEANER

240

**LEMONEX**

5 Litres / 25 Litres

Concentrated germicidal cleaner for gram positive and gram negative bacteria cleaning task, combined with surfactants, builders and twin quaternary bactericide for easy cleaning and disinfecting in a single task.

241

**CONQUER**

5 Litres / 25 Litres

Concentrated germicidal cleaner for gram positive and gram negative bacteria cleaning task, combined with surfactants, odour neutralizer, builders, surfactants and twin quaternary bactericide for easy cleaning, disinfecting and deodorizing in a single task.

242

**SERENADE FLORAL**

5 Litres / 25 Litres

Concentrated musky floral scent to eliminate bacteria and virus growth, easy application through mopping, scrubbing and spray and wipe application, built with twin quaternary ammonium compound for easy cleaning and disinfecting in a single operation.

243

**V-LIME**

5 Litres / 25 Litres

Concentrated germicidal cleaner with a powerful lime scent that effectively cleans, disinfects, and eliminates odors problems. Its long-lasting scent makes areas fresh and uplifting.

PERFUME MULTI PURPOSE CLEANER

FOREST

5 Litres / 25 Litres

Superb scented, you will be surprise by the outstanding formulation to leaves your premises fresh and well scented for a long time. Quick dry formula ensures floors dry quicker for a smoother & non-sticky foot feel, leaving no watermark.

REFLEX

5 Litres / 25 Litres

A strong concentration of fragrance and surfactant combined with twin quaternary anti bacterial compound. It does not only reduce drying time for more comfortable foot feel, it also removes oil stains and grease effectively without leaving behind watermark.

MOVE

5 Litres / 25 Litres

Unbelievable freshness and uplifting of fresh apples, reducing drying time, comfortable foot feel and leaves no stick film residues and watermarks behind.

AROMA FRUITY

5 Litres / 25 Litres

Well scented with fresh and ripe strawberries, reducing drying time, and leaves no watermarks behind.

FRUITY FLORAL

5 Litres / 25 Litres

Balancing fruity and floral in one single product, clean well and faster drying time, leaving no watermarks behind.

LIMEY

5 Litres / 25 Litres

A fresh lime and citrusy fragrance infused in this floor cleaner to make sure no odor is left behind. The fantastic scent makes the floor shine and fresh at all time!

GARDEN

5 Litres / 25 Litres

A loving scent of rose, natural ingredients and innovative product. Strongly scented to ensure long lasting fragrance is well scented.

ORANGE BURST

5 Litres / 25 Litres

An outbreak of juicy and ripe oranges, uplifting and outrage the atmosphere with fresh oranges and it stays!

COOL WAVE

5 Litres / 25 Litres

A mesmerising dedication of men's perfume dedicated to long lasting ever scent to keep your floors clean and fresh at all times.

DEGREASER

Control recurring grease issues rapidly with a dedicated degreaser. From non-caustic formulations to nano surfactant technology, our 9 different types of water-based degreasers, specialty application and solvent based degreasers made to suit every need and budget.

BIODEGRADABLE

SEWAGE-SAFE

FLO D

A detailed combination of solvents, alkaline builders, emulsifiers, chelating agents, Foam builders, foam stabilizers and water softener. For easy removal of grease, oils, fats and dirt layers build up. It's water-based formulation makes it easy to dilute and non-flammable. Intensive formulation and easy rinsing.

Warning: Test on painted surface to survey for any discoloration.

LOW D

A combination of solvents, caustics, alkaline builders, chelating agents, foam cutter, surfactants and stabilizer. The water based formulation keeps foam at low without affecting the effectiveness of scrubbers and ride on scrubbing equipment and hence less frequency of discharging time is required.

Warning: Test on painted surface to survey for any discoloration.

FORMULA 50

A detailed combination of solvents, alkaline builders, emulsifiers, chelating agents, Foam builders, foam stabilizers and water softener. For easy removal of grease, oils, fats and dirt layers build up. It's water based formulation makes it easy to dilute and non flammable. Intensive formulation and easy rinsing.

Warning: Test on painted surface to survey for any discolouration.

FORMULA 80

A strong combination of various types of surfactants, solvent cleaners, esters, dirt cutters, alkaline builders. To remove build ups and dissolve grease and industrial oil and grease build up in just minutes. With a special formulation that is safe to use.

Warning: Test on painted surface to survey for any discolouration.

BEFORE

AFTER

GR 10

A detailed combination of solvents, alkaline builders, emulsifiers, chelating agents, Foam builders, foam stabilizers and water softener. For easy removal of grease, oils, fats and dirt layers build up. It's water based formulation makes it easy to dilute and non flammable. Intensive formulation and easy rinsing.

Warning: Test on painted surface to survey for any discoloration.

PRIDE

A formulation without any caustic compound for degreasing purpose, the formulation consist of solvents, alkaline builders, solvent busters, surfactants and many others. It's formulation can rapidly dissolve grease, oils, fats, resins and build up grease / dirt.

CARPARK CLEANER

An aggressive degreaser to react with stubborn engine oil black stains on car park lots. Formulated with strong alkaline builders and foam builders.

CARBON BUSTER

Thick and clinging formulation to assist in vertical oven surfaces for high contact time and rapid penetration process, easily emulsify any animal fats and baked on crust and grease.

GRESOL

Super concentrated and high performance degreaser for ultimate dirt and grease, act rapidly and eliminate the need for extra dosage. It's incredible strength eliminate the need for extra scrubbing hard work require to wash, incorporated with easy rinsing technology.

DISHWASHING

AKRON DISHWASHING LIQUID is a high-performing liquid cleaner designed especially for dishwashing. It is specially formulated for dishes, silverwares, pots, pants, walls and floors.

TWINSTAR

A special concentrated formulation of dishwashing for double action of degreasing and glassware sparkling surfactants. Double action to leave glassware sparkling and shine after wash. Neutral p.H.

TRI-STAR

A special concentrated formulation of dishwashing for double action of degreasing and glassware sparkling surfactants. Double action to leave glassware sparkling and shine after wash, with a combination of drying aid to leave glassware and dishes dry with stainless watermarks. Neutral p.H.

BRIGHT STAR

Perfect dishwashing liquid for outmost dirt and marks on dishes. Perfectly scented with fresh lemons and designed with extra thick formulation yet low foaming properties, making rinsing easy and low water consuming.

DISINFECTANT

Increase protection and boost your sanitation process. The range adds value to the cleaning process and offers treatment for specific bacteriarelated challenges.

A PLUS

A super concentrated germicidal and disinfectant based on a U.S Formulation, super high dilution rate of 200 times can be achieved for easy disinfection task and elimination of many different type of viruses, gram positive and gram negative bacteria. Proven to work against Enteroviruses, Rotavirus, Norovirus, Influenza virus and Hepatitis A.

SHIELD SURFACE

A ready to use solution for easy task of disinfecting and sanitizing, contains twin quaternary ammonium compound (Q.A.C) with a concentration of 1% enhanced with fragrance and dye.

PRO BLEACH

A strong and robust bleaching compound bearing a strong concentration of sodium hypochlorite with a minimum of 400,000 PPM and 40,000 PPM of active chlorine. Incorporated with penetrating agent and stabilizer.

PRO PINE

A combination of pine oil and boosters, backed up with Quaternary ammonium compound (Q.A.C) for the double boost of disinfecting and deodorizing effects. Eliminate germs and clean at one single task, to save manpower costing and double committed jobs.

PINE

A natural derived pine disinfectant that combines both natural oils and intense saponification process to make into a powerful cleaner with the combination with phenolic compound to promote disinfecting capabilities.

MILDEW REMOVER

Dark spots and mildew eliminator, easy removal of all algae and mildew growth with a single application. It's strong compound makes reaction with double the time effectiveness. You will notice differences within seconds and you will be amazed with the results.

PRO BLEACH (M)

A self-cleaning Bleaching compound with a strong concentration of Sodium Hypochlorite and boosters. Deeply penetrates the surface and reacts vigorously with algae, dirt, and bacterias. Requiring no scrubbing efforts, just rinse with water.

FLOOR & CARPET CARE

CARPET SHAMPOO

Specially formulated for dry cleaning effect on carpets and upholstery products. It's mild and light content is gentle to fabrics and carpets but harsh on stains. It's unique formulation cleans from bottom up, leaving no stains or water marks behind.

CARPET EXTRACTION LIQUID

Formulated with special low foam detergent and surfactants, introducing Akron® Cutech to provide a strong and stabilize foam build up control. Easy to use with hot or cold water carpet extraction equipment. Providing a deep penetration spray into fabrics and upholstery.

Unique formulation of carpet extraction liquid from the traditional design of the formulation. The fragrance is being encapsulated into a capsule when conducting the cleaning, surfactants will penetrate and remove dirt from fabrics / upholstery where the capsules will remain in the intersections of upholstery and only release. It's fragrance upon encountering abrasion, which eventually will be in contact with human traffics.

Heavy duty wax stripper built with alkaline builders and ammonia compound, double speed of stripping process, deeply penetration and controlled foaming properties. A single application is able to strip up to 3 layers of unwanted wax.

Economical usage of frequent wax stripping, formulated with alkaline builders, wax softener, dissolver and foaming control properties.

A self drying, self levelling, self harden, high gloss floor wax compound, with a solid content of 22% wax content hardens to a strong heel. Heavy traffic flow glossy finish combined with special drying aid to a shorter drying time to 20 minutes and resistance to neutral mopping chemicals. 20 litres coats up to 2500 sqft on a single coat.

Based on a modified thermal plastic acrylic emulsion polymer with excellent adhesion, excellent chemical resistance and protective properties when applied on concrete substrate or on resilient tile. Akron Floor Sealer performs excellent adhesion property even extent to old concrete floors which have been cleaned, but still retain some embedded dirt or oil. When use as resilient tile sealer, Akron Floor Sealer shows good wear, gloss and levelling properties, along with excellent water and detergent resistance. It also gives excellent compatibility with floor polish. Recommended for sealing concrete substrate, stone, marble, terrazzo and resilient tile.

AUTOMOTIVE

**PROTECT OIL**

5 Litres / 25 Litres

Prolong life spend of leather and protects from staining issue, provides a great shine and long lasting prevention for cracking, bleeding leathers.

**PROTECT ALL**

5 Litres / 25 Litres

Brings shine and lift back to tires and vinyl surfaces, can be used on leathers and PVC leathers, prevents cracking, bleeding and breaking of leathers and rubbers over exposure, protects from stains when applied daily.

**PROTECT OIL (RED)**

5 Litres / 25 Litres

Brings shine and lift back to tires and vinyl surfaces, can be used on leathers and PVC leathers, prevents cracking, bleeding and breaking of leathers and rubbers over exposure, protects from stains when applied daily.

**CAR SHAMPOO**

5 Litres / 25 Litres

Bring back shine and gloss of car paints, mixture of surfactants and gloss enhancer to bring back life and shine to painted surfaces without harming surfaces or car paints.

**ULTRASUDS**

5 Litres / 25 Litres

High dilution rate to create ready foaming properties for car washing purpose, easy application and high dilution rate makes it easy and economical

**HAND GEL**

5 KG / 20 KG

Powerful combination of natural oils and fats neutralized with alkaline compounds to create a gel alike thickness, fantastic when used in workshops to remove thick grease on hands without the need to rinse till end of the day.

ACID CLEANERS

**ARE YOU FACING AN EXTRA STUBBORN STAINS
THAT SEEMS IMPOSSIBLE TO CLEAN WITH YOUR
REGULAR DETERGENTS OR DEGREASERS?**

These industrial strength stain removers go beyond traditional acid cleaner applications and are particularly effective with dealing combination soils, where the origin is both organic and mineral. The deep penetrating action that will give instant results on those unyielding hard surface stains - just see these stunning 'before and after' photos!

**BOWL MATE**

5 Litres / 25 Litres

A strong combination of a synergistic blend of mineral acids and powerful wetting agents especially effective for toilet bowl descaling and washing, works fantastic against yellow stains and human waste stains, bringing the surface back to life.

**T.B.C**

5 Litres / 25 Litres

A heavy-duty combination of mineral acid compounds and powerful wetting agents that works effectively on toilet bowl surfaces including descaling purposes. Works wonder to remove human waste stains and yellow urine stain marks.

**TBC G-65**

5 Litres / 25 Litres

A heavy-duty combination of mineral acid compounds, anti-bacterial compounds, and powerful wetting agents that works effectively on toilet bowl surfaces including descaling purposes. Works against human waste stains and yellow urine stain marks, combined with anti-bacterial Compound to make disinfecting and deodorizing effects inclusive.

**DESCALER**

5 Litres / 25 Litres

Designed to fight tough stains and scale build-up issues, dissolving scaled surfaces, and easy removal of black marks on floor tiles. Safe to use with many different types of flooring. Its effective formulation works with lime scales, iron compounds, and many more.

**CEMENT REMOVER**

5 Litres / 25 Litres

Formulated to fight against cement stains and renovation or building stains, cement trucks, and cement powder leftovers on tiles, or surfaces. Easy removal of cement stains by applying on surfaces and provide a good scrub to release from the surface. Its unique formulation softens the cement and makes it easy to rinse away.

**MAGIC**

5 Litres / 25 Litres

Super concentrated formulation of different types of mineral acid cleaners and surfactants to combine into a single module, being able to release and cleans up different types of tiles that are not natural stones. Its unique formulations save tiles and surfaces that are damaged by other inorganic compounds and making it clean again.

**BEFORE****AFTER****BEFORE****AFTER**

**TORMA**

5 Litres / 25 Litres

A fast reacting acidic cleaner that lifts stains from bottom up. Effective against unglazed tiles, tile, brick, masonry, unpolished natural stone and concrete surfaces not harm by acidic solutions.

**POWERHOUSE**

5 Litres / 25 Litres

Effectively cuts down heavy build-up of oxide films, fungus, and light deposits of oil on various hard surfaces, with it's powerful acid compound. Removing many types of traffic films, build up of oxidation and rust stains.

**ALUM-CL**

5 Litres / 25 Litres

A specially designed formulation to brighten and clean aluminium, containing wetting agents and emulsifier to aid in removal of road film and provide a uniform brightening of aluminium surfaces. The product reduces tremendously the time required. Removes corrosion and oxidation from aluminium surfaces.

**RUST-RM**

5 Litres / 25 Litres

A heavy duty concentrated rust removing quality acidic cleaner designed primarily to handle rust cleaning problems, associated with tiles, grouting, cements and many others. Contain a strong blend of mineral acids, wetting agents, and butyl solvents to dissolve oil, soap, stain and scale.

SCALE -OFF

5 Litres / 25 Litres

Powerful Lime scale and stone remover for white cement, built with acidic base and surfactants.

RENOVATER

5 Litres / 25 Litres

Creation from the minds of universe. Unique acidic formula breaks down the molecular bonds between soil and surfaces, then emulsifies the soil for easy removal.

H.D STAIN REMOVER

5 Litres / 25 Litres

A concentrated blend of many inorganic acid compounds, surfactants, stabilizers, solvents and detergents. Proven to work on many surfaces that is previously damaged or acid exposed. Extreme surfaces of damage can be cleaned and renew to a new conditions.

MOSAIC CLEANER

5 Litres / 25 Litres

A strong combination of inorganic acids compound combined with surfactants, foam stabilizers and chelating agents to renew and clean out mosaic grouting marks and scales. Proven to work on different mosaic tiles and beads.

SPECIALTY CHEMICALS

P-166 ACRYLIC

A specially formulated coating for ease of use on surface, a liquid acrylic forms to a hard surface for easy maintenance task. It's special formula does not turn surface to a yellowish finish when aged. The coating remains a permanent coating on surfaces to protect and resist many other compounds, providing a long lasting solution.

ACC CLEANER

Formulated with coil friendly builders, surfactants and solvents. Extremely effective on dirt and dust on air conditioner fins, easy rinsing makes the task even easier. The formula protects and prolong life spend of air con fin coils when used frequently on servicing period.

SHINE

Provides an ultimate shine on surface when applied with a spray bottle or glass cloth. The formula makes it long lasting shine and yet non-tacky, non-oily on surface. Incorporated with fingerprints resistance compound, making it more resistance to fingerprints left behind.

GLASS-E

Providing an anti-static surface, leaving no streak marks on surface after cleaning process. It's unique formulation makes drying like a breeze. The formulation is safe on skin, non-irritant, and non-flammable.

SPECIALTY CHEMICALS

DRAIN - AID

Super formulation to provide a smooth flowing drainage system, daily affairs clogged up our drainage system and high maintenance cost is required to ensure a choke free drainage, with akron® Drain aid, we ensure every choke is cleared with a breeze. This alkaline solution assist to remove many fats and oil compounds in the drainage system that is unseen, it can dissolve grease , fats and oils in just matter of seconds.

SIVIN

A creation to resists basically anything from the absorbent surface. May be applied to natural stones and any porous surfaces. The impregnator causes water retention deep in the surface to appear on top within a 48 hours of application, and completely seals off the surface to prevent any aliens material to enter the surface causing it to stain.

OSD-EV

Removes oil spillage on water, mixture of emulsifiers and solvents that helps break oil into small droplets following an oil spill or leakage. It's unique formulation is a self emulsifying process that requires no hard manual work.

OSD-CV

Removes oil spillage on water, mixture of emulsifiers and solvents that helps break oil into small droplets following an oil spill or leakage. It's unique formulation is a self emulsifying process that requires no hard manual work.

CITRUS POWER

This powerful formulation removes grease, deep penetrated compounds, glue, resins and gum that is sitting on surfaces or deep within. The natural compound is derived from lemon and citrus family compound. Smelling citrus and super effective.

SUPER-EM

Formulated with solvents and surfactants, grease busters, glue remover and gum dissolver. Works wonders with glue, gum, and machinery that are water sensitive. The wonderful formulation removes dirt, grease, oils, and fats in a matter of seconds.

RESTORER

Abrasive powder to leave no streaking marks on stainless steels, metal surfaces, excellent for polishing metal surfaces and removing heavy duty dirt on floorings.
