AUTOMOTIVE

5 Litres / 25 Litres

701 PROTECT OIL

To prolong the lifespan of leather goods, prevent staining issues, and provide a great shine while also preventing cracking and bleeding of the leather.

5 Litres / 25 Litres

702 PROTECT ALL

To restore and protect the appearance and durability of various materials such as tires, vinyl, leathers, and PVC leathers.

5 Litres / 25 Litres

703 PROTECT OIL (RED)

To bring shine to tires, vinyl surfaces, leathers, and PVC leathers.

5 Litres / 25 Litres

704 CAR SHAMPOO

Bring back shine and gloss of car paints, mixture of surfactants and gloss enhancer to bring back life and shine to painted surfaces without harming surfaces or car paints.

5 Litres / 25 Litres

705 ULTRA SUDS

High dilution rate to create ready foaming properties for car washing purpose, easy application and high dilution rate makes it easy and economical.

20 KG

706 HAND GEL

Powerful combination of natural oils and fats neutralized with alkaline compounds to create a gel-like thickness, fantastic when used in workshops to remove thick grease on hands without the need to rinse till end of the day.

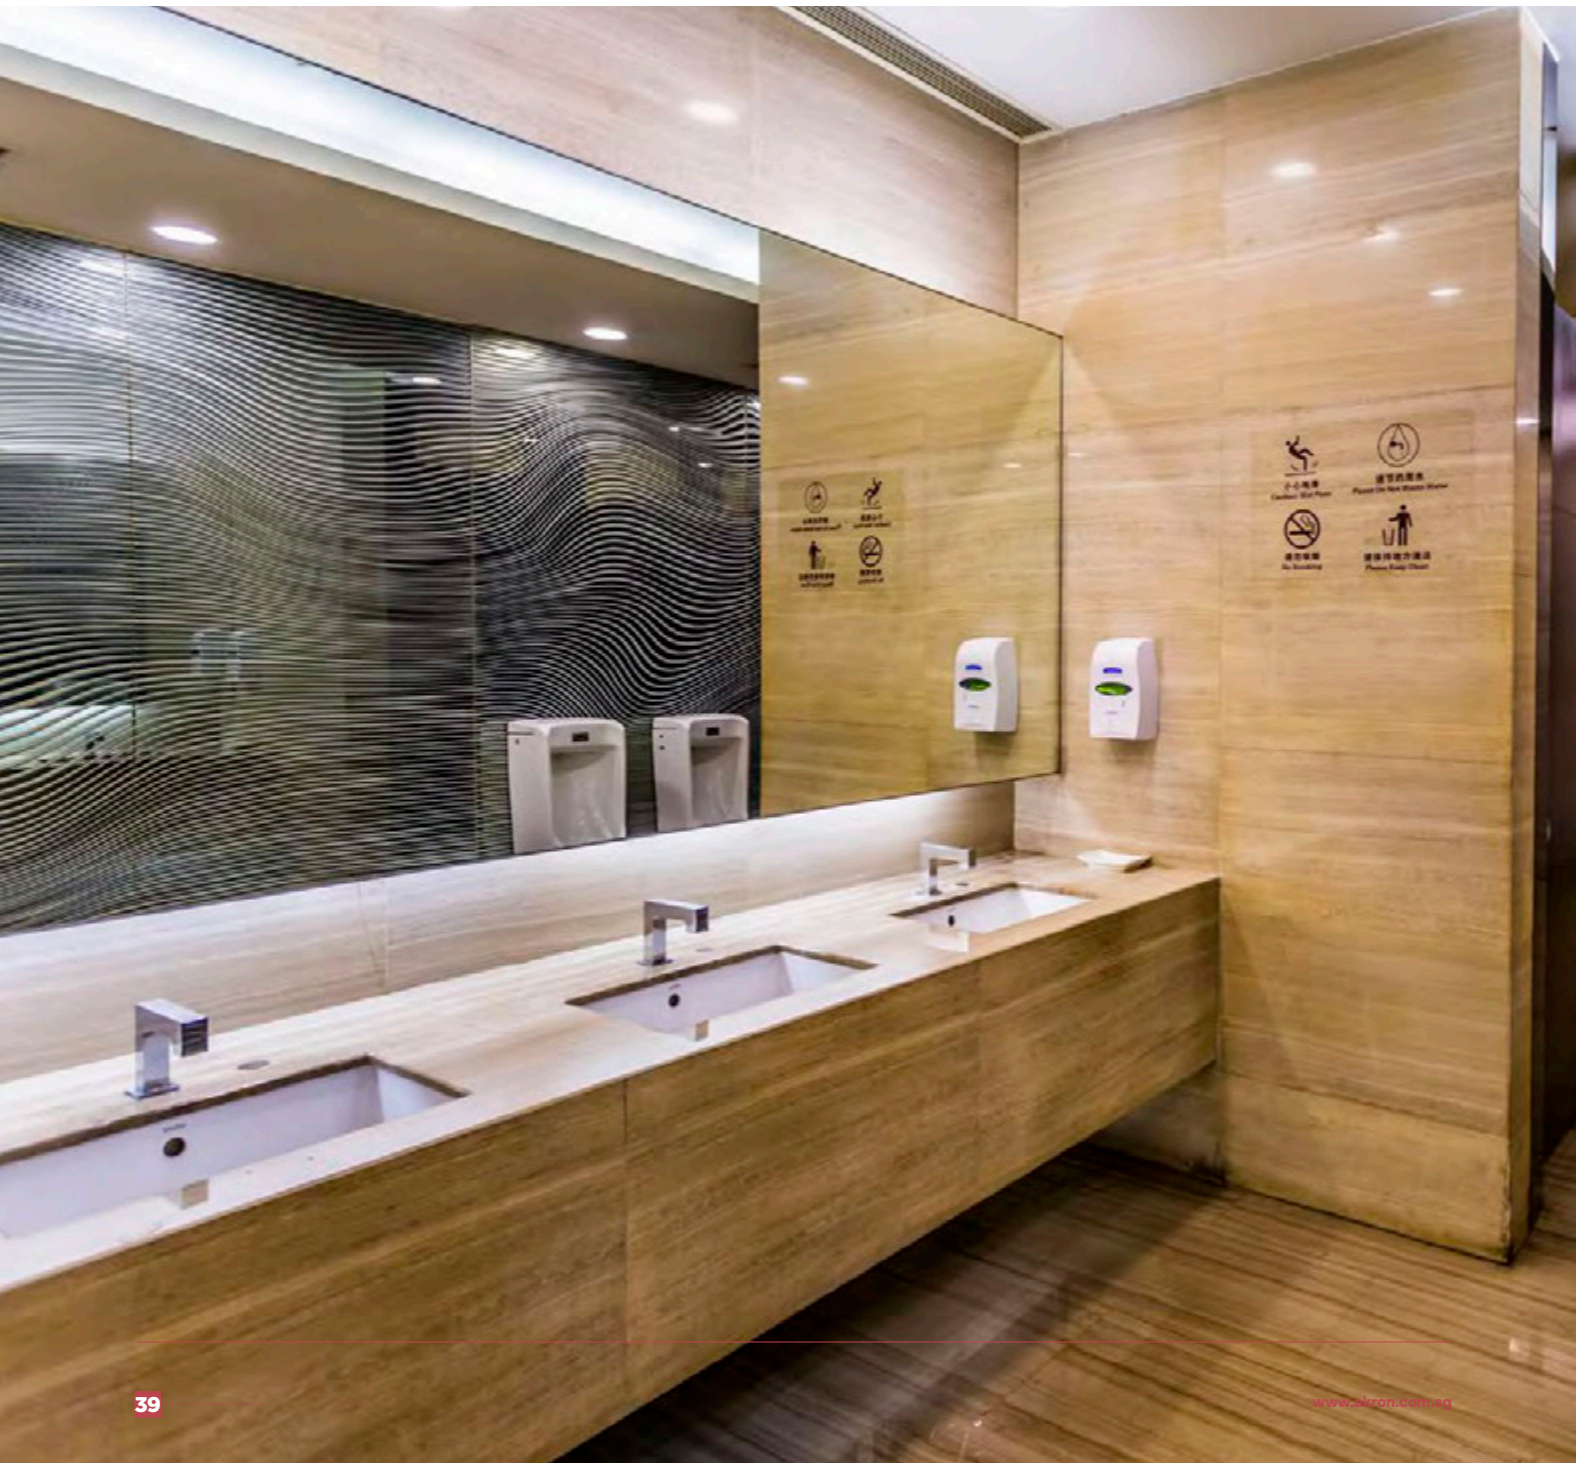

5 Litres / 25 Litres

707 IRON FLUSH

A unique formulation of iron and rust removing acid that has mild acidic properties.

ACID CLEANERS

Acid cleaners are primarily used to remove mineral deposits and scale, rust, and carbonized matter in plumbing drains, vessels and appliances. In addition they can be used to etch concrete and remove mortar stains. The correct choice of acid cleaner will transform your cleaning experience.

801 5 Litres / 25 Litres

BOWL MATE

A strong combination of as ynergistic blend of mineral acids and powerful wetting agents especially effective for toilet bowl descaling and washing, works fantastic against yellow stains and human waste stains, bringing the surface back to life.

802 5 Litres / 25 Litres

T.B.C

A heavy-duty combination of mineral acid compounds and powerful wetting agents that works effectively on toilet-bowl surfaces including descaling purposes. Works wonder to remove human waste stains and yellow urine stain marks.

803 5 Litres / 25 Litres

TBC G-65

A heavy-duty combination of mineral acid compounds, anti-bacterial compounds, and powerful wetting agents that works effectively on toilet bowl-surfaces including descaling purposes. Works against human waste stains and yellow urine stain marks, combined with anti-bacterial Compound to make disinfecting and deodorizing effects inclusive.

804 5 Litres / 25 Litres

DESCALER

Designed to fight tough stains and scale build-up issues, dissolving scaled surfaces, and easy removal of black marks on floor tiles. Safe to use with many different types of flooring. Its effective formulation works with limescales, iron compounds, and many more.

805 5 Litres / 25 Litres

CEMENT REMOVER

Formulated to fight against cement stains and renovation o rbuilding stains, cement trucks, and cement powder leftovers on tiles, or surfaces. Easy removal of cement stains by applying on surfaces and provide a good scrub to release from the surface. Its unique formulation softens the cement and makes it easy to rinse away.

806 5 Litres / 25 Litres

MAGIC

Super concentrated formulation of different types of mineral acid cleaners and surfactants to combine into a single module, being able to release and cleans up different types of tiles that are not natural stones. Its unique formulations save tiles and surfaces that are damaged by other inorganic compounds and making it clean again.

5 Litres / 25 Litres

807

TORMA

An acidic cleaner that is designed to quickly and effectively lift stains from various hard surfaces, such as unglazed tiles, brick, masonry, unpolished natural stone, and concrete surfaces.

5 Litres / 25 Litres

808

POWERHOUSE

A powerful acid compound to help break down and dissolve heavy buildup of oxide films, fungus, and light deposits of oil from various hard surfaces.

5 Litres / 25 Litres

809

ALUM-CL

A special formulation for aluminium surfaces containing wetting agents and emulsifiers to help remove dirt, grime, and road film from the surface.

5 Litres / 25 Litres

810

RUST-RM

A heavy-duty concentrated acidic cleaner that is specifically designed for rust removal on a variety of surfaces, including tiles, grouting, and cement.

5 Litres / 25 Litres

811

SCALE-OFF

An acidic base and surfactants that is specifically designed to remove lime scale and stone buildup from white cement surfaces.

5 Litres / 25 Litres

812

RENOVATER

A unique acidic formula that is designed to break down and emulsify soil on surfaces.

5 Litres / 25 Litres

813

H.D STAIN REMOVER

A concentrated blend of inorganic acid compounds, surfactants, stabilizers, solvents, and detergents that is designed to work on many surfaces, including those that have been previously damaged or exposed to acid.

5 Litres / 25 Litres

814

MOSAIC CLEANER

A strong combination of inorganic acid compounds, surfactants, foam stabilizers, and chelating agents that work together to dissolve and remove grouting marks and scales from mosaic tiles and beads.

5 Litres / 25 Litres

815

LIME-AWAY

Designed to be able to remove all hard water, soap scums and removing of unwanted scales marks left over.

SPECIALTY CHEMICALS

We offer a full range of high-performance specialty chemicals that fuel the growth and sustainability of daily life. They include our innovation-focused ingredients, diagnostic systems and advanced formulations. Targeted specialty chemicals that address specific needs, such as coatings and surface refinishing.

901 5 Litres / 25 Litres
P-166 ACRYLIC

A liquid acrylic to create a hard surface that is easy to maintain, and does not cause the surface to turn yellowish as it ages. The coating remains a permanent coating on surfaces to protect and resist many other compounds, providing a long lasting solution.

902 5 Litres / 25 Litres
ACC CLEANER

Highly effective at removing dirt and dust from air conditioner fins, and easy to rinse off. Protects and prolong lifespan of air conditioner fin coils when used frequently during servicing periods.

903 5 Litres / 25 Litres
SHINE

Polishing stainless steel surfaces, cleans surfaces to reveal a shiny, sparkling finish.

904 5 Litres / 25 Litres
GLASS-E

Providing an anti-static surface, leaving no streak marks on surface after cleaning process. Its unique formulation makes drying like a breeze. The formulation is safe on skin, non-irritant, and non-flammable.

905 5 Litres / 25 Litres
DRAIN-AID

An alkaline solution that is able to dissolve fats and oils in just a matter of seconds, providing a smooth flowing drainage system and prevent clogs. Effective at clearing clogs quickly and easily, without the need for high maintenance costs.

906 5 Litres / 25 Litres
SIVIN

A surface impregnator product that is designed to resist various substances from penetrating absorbent surfaces, including natural stones and porous surfaces. Within 48 hours of application, water retention deep within the surface will appear and completely seal off the surface to prevent any foreign materials from entering and causing stains.

907 5 Litres / 25 Litres

OSD-EV

A mixture of solvents and surfactants designed to emulsify and break down oil molecules into smaller particles that can disperse throughout the water column.

908 5 Litres / 25 Litres

OSD-CV

A biodegradable oil spill dispersant, which is a mixture of solvent mixtures and surfactants designed to emulsify and break down oil molecules into small particles that can disperse throughout the water column.

909 5 Litres / 25 Litres

CITRUS POWER

A citrus-based cleaner, which is a powerful formulation that is effective at removing grease, glue, resins, and gum from surfaces.

910 5 Litres / 25 Litres

SUPER-EM

A solvent-based degreaser that is formulated with surfactants to aid in the removal of grease, oils, and fats.

911 5 Litres / 25 Litres

RESTORER

Free flowing powder to be used for cleaning kitchen sink, stainless steel fixtures, badly stained ceramic, homogenous and many types of floor tiles.

917 5 Litres / 25 Litres

WEED KILLER

High organic acidic compound for removing of unwanted natural growth plants.

918 5 Litres / 25 Litres

VEG WASH

Q.A.C based concentrated liquid to wash off pesticides & bacterial growth on fresh stocks, prolong life span & growth of fresh stocks.
